

AK50

Connection cable for camera module

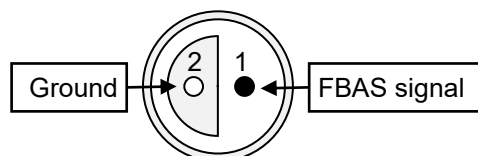

For METIS pyrometers with camera module

Order numbers

AK50-05 Camera module connection cable, 2-pin, shielded, cable length: 5 m

Technical Data

Cable:	Coaxial cable 75 ohms
Coat:	PVC
Bending radius:	one-shot: min.: 6 x outer diameter several times: min.: 15 x outer diameter
Ambient temperature:	-30 ... 70°C without moving -20 ... 70°C moving
Connectors on the pyrometer side:	Lemosa connector type FFE.0S.302.CLAC50 (Fa. Lemosa GmbH, http://www.lemo.de)

Connector opposite side

Cinch plug
